Greetings from Madagascar

Madagascar! Wow! It blows my mind as to how **God is expanding and growing** the ministry!

I am especially excited with the launch of our **Expansion Project** this week! This project was birthed due to the **expansion and growth** we are experiencing. For more information and to learn more about the **Expansion Project**, click [here](#)

Even though the ministry has expanded exponentially, this is just the tip of the ice berg! There are so many more people and countries **desperate for God and His Word that still need to be reached!**

I am sure you had no idea of the vital role our Cape Town office plays not only in South Africa, but across the continent and surrounding islands. For us to reach even more people and thereby impact even more lives, our Cape Town office and team needs urgent expansion. This will not only help us fulfill our current responsibilities more effectively, but most importantly, it will enable us to achieve our mission and engage **even more people** in relationship with God through knowing His Word.

Thanks to generous partners, we **already have a matching gift of R600 000 towards the Expansion Project!**

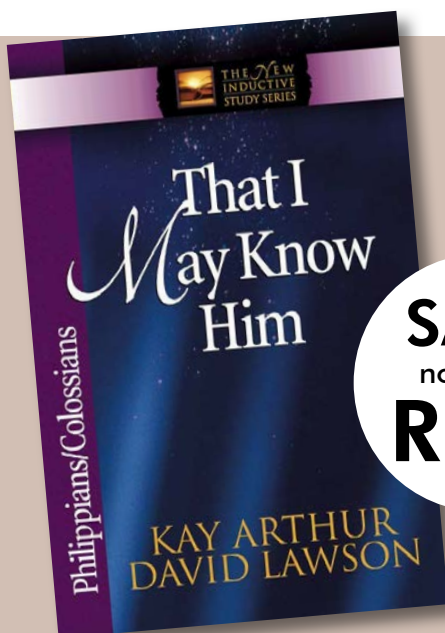

Won't you help us extend our reach by giving towards this special **Project**. Your gift will be matched up to the R600 000, this means the gift God is laying on your heart, will be doubled.

Reaching Pastors

Above: Pastor Luke with a pastor who is now using Precept Studies in his church.

Key pastors in the Pallisa area attended training done by Luke, Precept Uganda's Director.

The Word For Everyone

Pastors, their wives and children, attended training and discovered the power of studying God's Word through 40-Minute Studies.

Reaching these people means that their churches, communities and villages will be reached too!

The potential impact is **hundreds of people being enriched** by God's Word in this little area alone.

KENYA

Equipping Girls

There is a great program in Kenya that gives many orphan girls the opportunity to learn both valuable tailoring (sewing) and Bible Study skills. Precept Upon Precept Studies are central to the program, as the aim is to give all the girls a solid Biblical foundation.

Read Linet Anyango Polo's story:

"I joined tailoring in love school as a Muslim, but now am leaving as a Christian. Apart from the skills I have gained from here, I have also life. **Jesus is now my Saviour.** Unlike the Muslim ISSA who is a prophet, I have Jesus the Son of the most high God.

After studying the book of John from Precept, it was clear to me, not by good deeds will I go to heaven, but through Jesus who is the way, the truth and the Life. I MUST BE BORN AGAIN. Pastor Peter who is our teacher helped us to study and learn what born again means. And so I gave my life to Christ after knowing the truth.

Am leaving the school today and am going to look for a friend to study together ***How Do You Walk the Walk You Talk? I want to walk in the light and share my faith with my Muslim friends too.***"

Praise God for the life transforming power found in His Word and for projects like these that we can serve along with!

Empowering Women At Risk

We are always looking for opportunities to **help establish people in God's Word**. This is one such opportunity!

This Ethiopian NGO is passionate and committed to seeing **the lives of women at risk transformed**.

They do so by helping the women both physically and spiritually. Adanech recently held a training workshop with a group at this NGO. The group experienced the value of our 40-Minute Studies and are now using Precept Studies in their program.

Adanech, Precept Ethiopia's National Director, busy with the training.

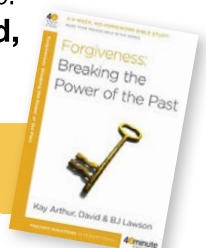

We praise God for the way He is using Precept studies to draw people like these precious women **into a relationship with Him** as they dig into His Word!

The impact on these womens' lives is huge!
They will be established in God's Word, equipped to face what lies ahead.

God has restored so many lives and relationships through this study!

"But you, God, see the trouble of the afflicted. You consider their grief and take it in hand. The victims commit themselves to you; you are the helper of the fatherless" - Psalm 10:14
