A message from Stuart

Can you believe we're entering the second half of the year!

I am filled with praise as I reflect on the first half of the year. God has done exceedingly more than we imagined!

What you see in this Plumbline is a mere snapshot of all the Lord has done in the month of June alone! Thank you! Precept Ministries Africa could not operate effectively without your continued prayers and generous financial support.

June is World Refugee Awareness Month, a global initiative that challenges us to help make a difference in the lives of displaced people across the world. Our hearts ache for the plight of these displaced people, especially those in Africa. In this Plumbline you will catch a glimpse of the latest Institute we held with South Sudan refugee pastors. This is one way Precept Africa is making a difference. Empowering and equipping the local refugee pastor, will result in churches and communities within the refugee camps being impacted.

You would have heard of the *Expansion Project*, if not, click [here](#). **Thanks to a generous donor, all gifts received towards this project before midnight on August 4th will be doubled.**

One of the initiatives that this *Expansion Project* will enable, is allow us to expand the work amongst the refugees across Africa. Won't you take up the challenge to help make a difference in these precious people's lives and give towards this project? To give, click [here](#).

THE MISSION & VISION OF PRECEPT MINISTRIES

To engage people in relationship with God through knowing His Word.

&

To see every believer in Christ living out God's Word every day.

ABOUT PLUMBLINE

The plumbline is pictured in Scripture as the standard of Truth.

"Behold I am about to put a plumb line in the midst of My people..."
(Amos 7:8)

May this PLUMBLINE bless you!

South Sudan Refugee Pastors

Who Supports Them?

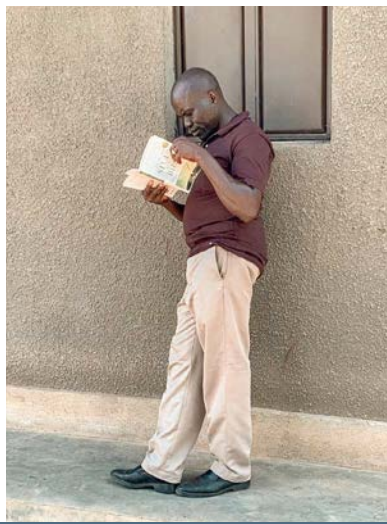

The Institute

Pastors in refugee camps suffer alongside their people. **These selfless brothers in Christ have little to no support.**

This 3 year program encourages and strengthens their commitment to remain faithful to their calling. It also provides them with tools and resources to effectively lead their flock.

As a result of this latest 2 week training session, there are now **3 955 new students** studying God's Word in the camps.

This session, they worked through Marriage Without Regrets and Building a Marriage that Really Works. The training not only focuses on what God's Word says about marriage and family, but also on Biblical counselling.

The Bari translation team. Praise God! The translation of our studies into the South Sudanese local language has begun!

The unbearable heat indoors means that much of the training takes place outside.

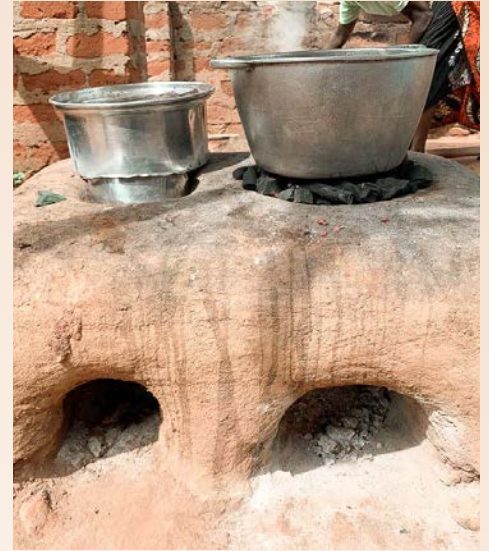

What a blessing to not only be able to feed them spiritually, but also physically

Can you imagine the impact in the refugee camps as a result of strengthening and empowering these pastors!

Precept in Uganda

Spreading God's Word and bringing hope to refugees, church leaders, students and many others in a nation facing corruption, poverty and so much more.

NATIONAL DIRECTOR LUKE MUWAYI

"I really enjoy serving at Precept because I can't think of any better ministry that touches and impacts lives more than God's Word through the Inductive Method."

We praise God for pastor Luke and pastor Richard who serve on the Uganda team. They have a passion to see the nation of Uganda established in God's Word.

UGANDA

Over 120 church leaders from various churches attended special leader training in the area.

ETHIOPIA

Restoration

As a result of studying *Forgiveness: Breaking the Power of The Past*, a church that had split was **reunited after 16 years of separation**.

Seeing this incredible restoration in action, people in the area are crying out for more studies.

Oromo Studies Spreading

Kassahun and Adanech did training with Oromo speaking leaders at a recent conference. The pastors are so thankful to have Bible studies in their heart language. We're excited as more books are in the process of being translated into Oromo!

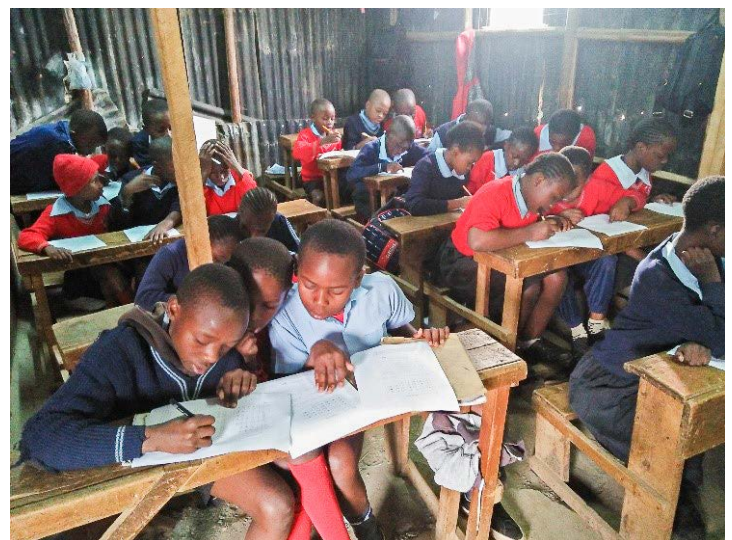

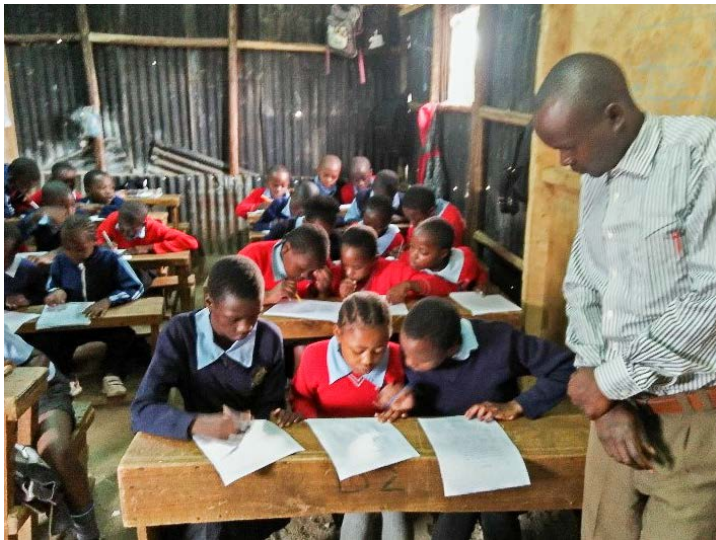

Kibera
KENYA

Blessing Amidst **Poverty**

Kibera is the largest slum in Africa. Amongst hundreds of thousands of people living in poverty are schools and teachers who are using opportunities to teach children God's Word. Several primary and high schools are making use of Precept Studies, below is just one of them. Here, 160 children learn about God and His Word every Friday!

Building Marriages

Pastor Yemi (National Director - Nigeria) teaching in one of the sessions.

These women attended our recent Precept Women's Conference and looked at what the Bible says about marriage.

They worked through our 40-Minute Study: *Building a Marriage that Really Works*.

This conference resulted in **13 brand new Bible study groups starting**, 10 of which are using our newly translated Yoruba study.
