From Stuart...

I am once again completely amazed! My last few trips are filled with events that only God could orchestrate.

I have just arrived in Hawassa, Ethiopia, after a long almost six-hour car trip from Addis. People often ask me as to what drives me to do what I do. Besides knowing that this is God's calling on my life, my passion is always fuelled when I get to see first hand how God uses Precept to impact someone's life.

I got to experience this in Sierra Leone when I met Pastor Solomon. This incredible, humble man is responsible for 24 churches, 12 schools and 1 Bible school.

Pastor Solomon attended the Pastors Conference and was blown away by what he experienced. He told us how valuable the training was and how much he wanted all his pastors and leaders trained in the Precept Method too. Praise God! All his churches are now doing weekly Bible studies. **I love seeing pastors excited to have their churches engaging in God's Word.** This is why I do what I do and am passionate about it!

Your partnership both in prayer and giving is what makes these events possible. Thank you! What a privilege to serve God with you!

It's my prayer that our service together will ultimately result in a great harvest for God's kingdom.

Serving together

Instilling Biblical Leadership

Lack of Biblical leadership is a huge issue in Nigeria. For this reason, Stuart was asked to teach on the principles of Biblical Leadership at the recent Precept Pastors Conference. **Over 300 church leaders representing 70 different churches eagerly participated in the training.**

Simultaneously to Stuart teaching, on the side of the hall (see below), an interpreter was translating into Yoruba (one of the main languages in Nigeria). We already have a study translated into Yoruba, with more to come!

Did you know?

Nigeria has the largest Muslim population in Sub-Saharan Africa

How great to see everyone getting involved in group discussions and interacting with scripture together!

We have resources for everyone!

NATIONAL DIRECTOR PASTOR YEMI AMODU

"I enjoy the amazement in the eyes of people when I am either teaching the method or leading one of the classes when they discover truths in the Bible by themselves."

We praise God for Pastor Yemi and Pastor Olabode (Chairman of the Precept Nigeria Board) who serve on the Nigeria team. They have a passion to see the nation of Nigeria established in God's Word.

THANK YOU!

Discipleship in **Sierra Leone**

Stuart taught on the importance of discipleship using the book of *Titus* and our 40-Minute Study: *Being a Disciple: Counting the Real Cost*.

Bible studies continue in the Cape's volatile areas

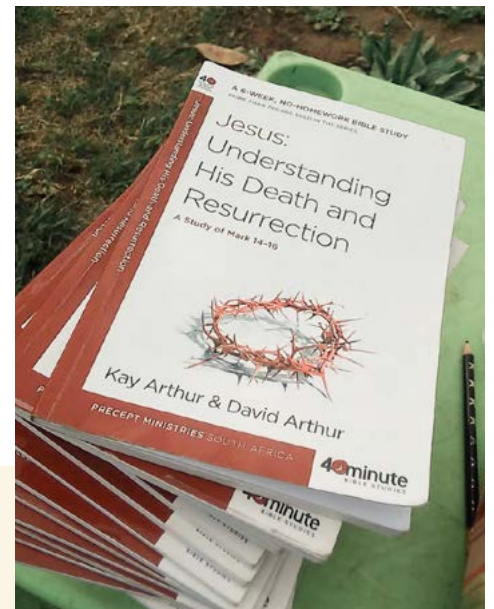

These young people in an underprivileged area in Cape Town have been working through *Jesus, Understanding His Death and Resurrection*. For most, this is their first ever exposure to the Bible and Jesus. It's been **incredible to see the questions, excitement, growth and change that has resulted from this study**. Here are some testimonies:

After one lesson, a 12 year old boy was found crying around the corner. He was devastated. Eventually he

explained that he had been disrespectful to his parents and fought at school. After learning what Jesus went through physically in His trial and on the cross, and **realising that Jesus had done this all for HIM**, he felt so repentant about his sin. His Bible study leader, Natasha, had the opportunity to explain Jesus' forgiveness and the meaning of the cross.

One girl was so impacted by the study, that her mother especially came to say thank you because **her daughter's attitude had changed so much**.

Pray with us for these young people and their leaders who so faithfully help establish them in the Word. May their love for God and His Word continue to grow.
